Hello Dancing Moose Families! We would like to share another snack recipe for you to try at home. This snack is loaded with chia seeds! Chia seeds are high in fiber, protein and will make you feel full after you eat them. Chia seeds can be purchased almost anywhere you buy your food. Try this recipe as a great snack inbetween meals or as a sweet dessert. Recipe for one: 2 Tablespoons Chia Seeds, 1/2 Cup Milk of your choice (we think coconut milk is exceptionally yummy!) Pour all ingredients into a jar or small bowl and mix well. Let sit for 2 minutes then mix again. Cover and store in fridge for at least 30 minutes. When you are ready to eat customize it by topping it with your favorite fresh fruit. We encourage you to try this with your children at home. Enjoy!

Breakfast is available daily from 7am-7:45am. A selection of cereal and milk will be provided. Lunch is served with milk. Vegetarian Options are available.
